

"My Book Buddy"

Parents: Use during reading time with your child to help teach them to take ownership over their own learning, build reading comprehension, and set a meaningful purpose for reading. Make sure you chose age-appropriate stories they can follow along with. Help read this to them, while they fill in the answers! They don't even have to write, just have them tell you the answers, and they put an "X" on the spot afterwards!

This is the book I read:

(I can draw a picture of the book here) → → → → →

I read this many pages	I read for this long	I chose this book because
My favorite part was	The characters were	This story took place where?
This book was about	This book made me feel	If I could change the ending, it would be?

Next time, I am going to choose a book about _____?

I like books because _____?

It is important to read because _____?

Dear Book Buddy,

Here is my signature to promise to read again another day!
