

Community Helper Puppets: Cut these out individually, glue each on a popsicle stick of their own, and sing the fun song on the next page with your child. Hold up each community helper person as they are sung in the song.

Community Helper Song

A teacher is our friend, a teacher is our friend

Hi, Ho A-derio

A teacher is our friend.

A police officer keeps us safe, a police officer keeps us safe,

Hi, Ho A-derio

A police officer keeps us safe.

A firefighter saves us, a firefighter saves us,

Hi, Ho A-derio

A firefighter saves us.

A doctor makes us better, a doctor makes us better,

Hi, Ho A-derio

A doctor makes us better.
