

CUBES FOR BLOCK GAME

Cut out blank cube pattern on next sheet. Cut on the outside black lines (as a whole pattern, like an upside down letter "t"), DO NOT CUT BOXES OUT INDIVIDUALLY. Use tape to fold and hold together.

Write the letters of
the alphabet on the
outside of the white
squares after you
have assembled the
cube. You can use
this cube pattern for
any learning game!
Numbers, colors,
shapes, and more!
