For infants and toddlers: Teach the numbers in both Spanish and English using the word-number cards. Count the stars (focus on only 1-5) in each of the boxes on the next page to your child and say the number-word. For toddlers, 2 and ½ years and older, you can focus on all 1-10 stars to count to child.

For preschoolers: Teach the numbers in both Spanish and English using the word-number cards. Then, have your child match the correct number of stars to the matching word-card it represents.
