

Cut each turkey out and glue it to the end of a popsicle stick.
Sing the song below and use these “puppets” as props!

Five Fat Turkeys

Five fat turkeys sitting on a fence.

The 1st one said, "I'm so immense."

The 2nd one said, "I can gobble at you."

The 3rd one said, "Gobble, gobble too."

The 4th one said, "Please don't eat me."

The 5th one said, "I taste good with gravy."

Then Mr. Farmer came along to say

"Turkeys are the best on Thanksgiving Day!"
