

Christmas Light Colors Preschool

Teach your child the colors of the Christmas lights. Point to each of them one at a time, then have your child repeat or say the color after you. On the next 3 pages, have them color the Christmas lights the same color as the one shown next to it. On the last page, have your child finish the patterns.

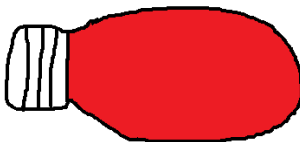

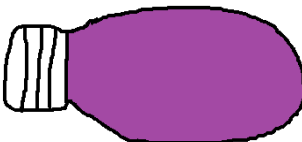

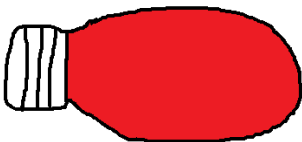

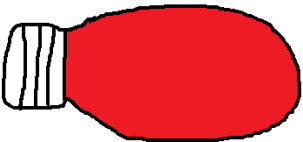

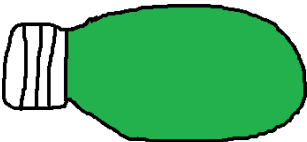

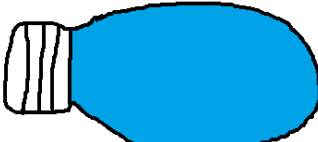

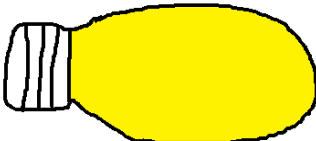

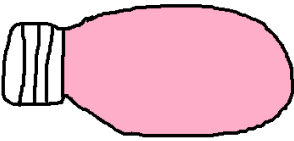

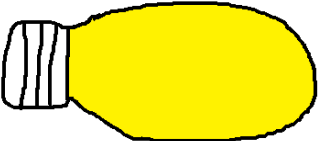

Have your child finish the patterns by coloring in the white light for what comes next.

Have your child create their own pattern in the blank white lights below.
