

# **“Leaves, Leaves” Storybook**

The leaves change colors from red, yellow, green, and brown.

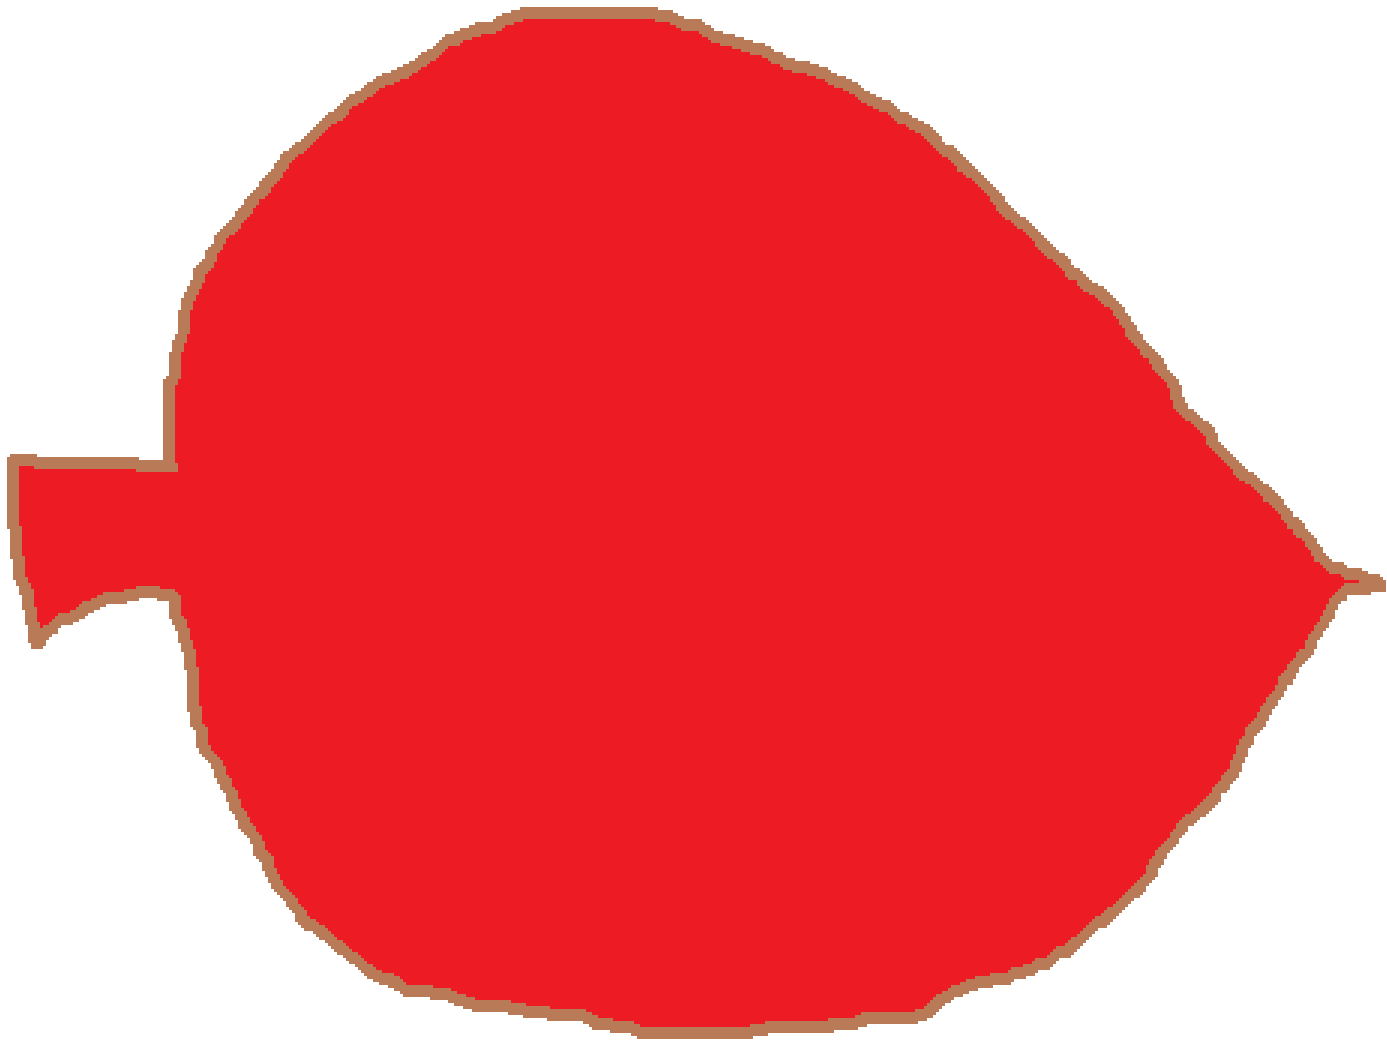

Leaves grow on trees.

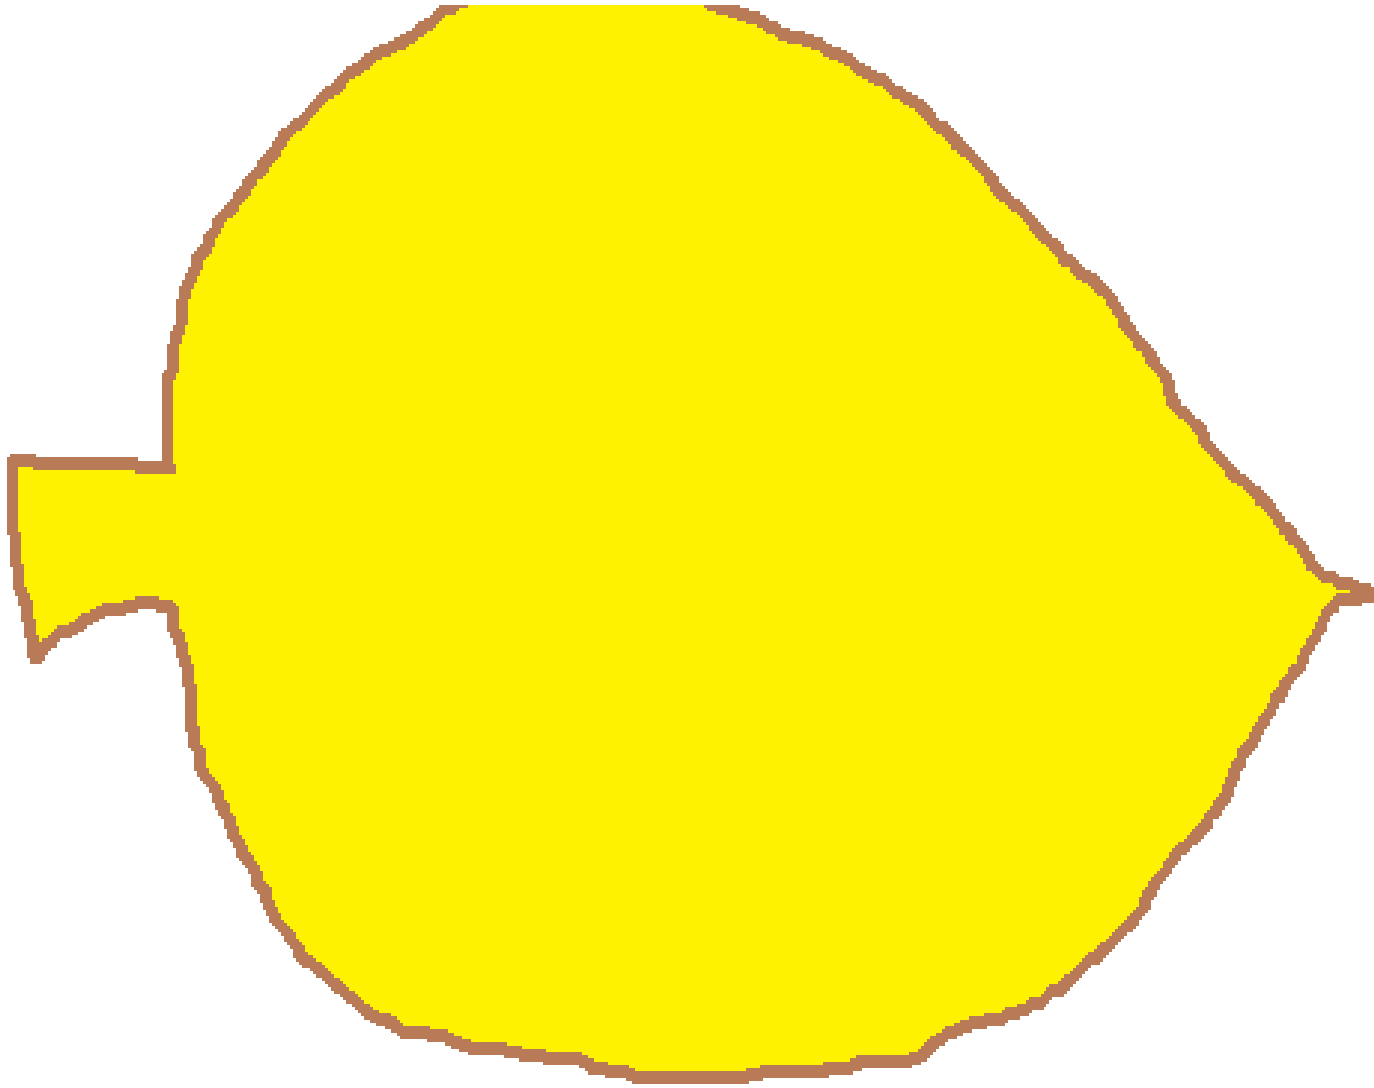

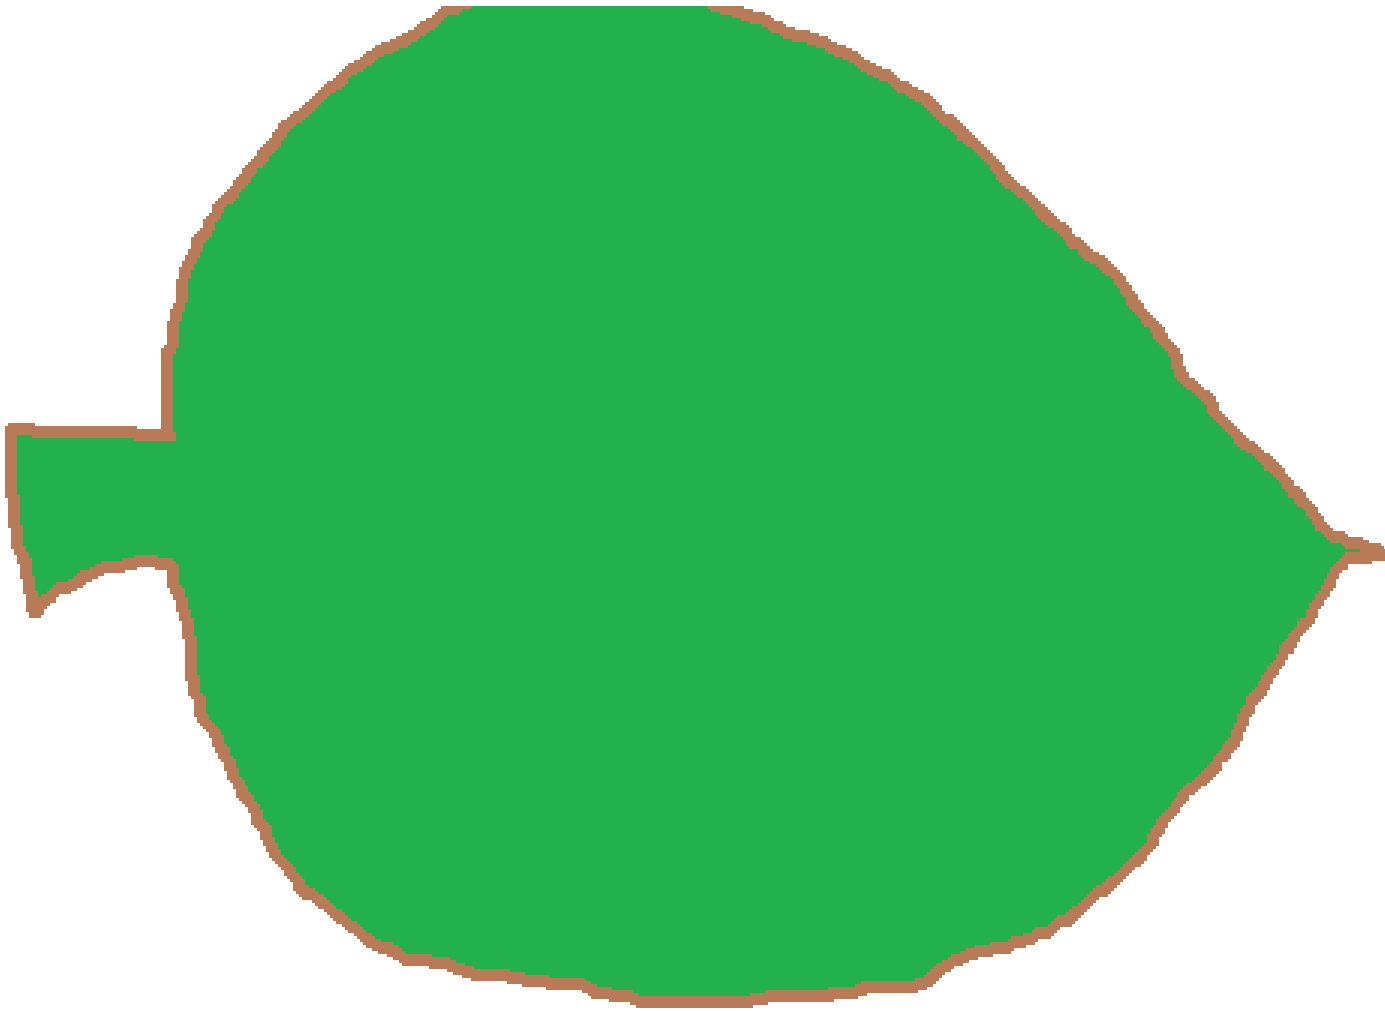

They can be all different shapes,  
sizes, and colors.

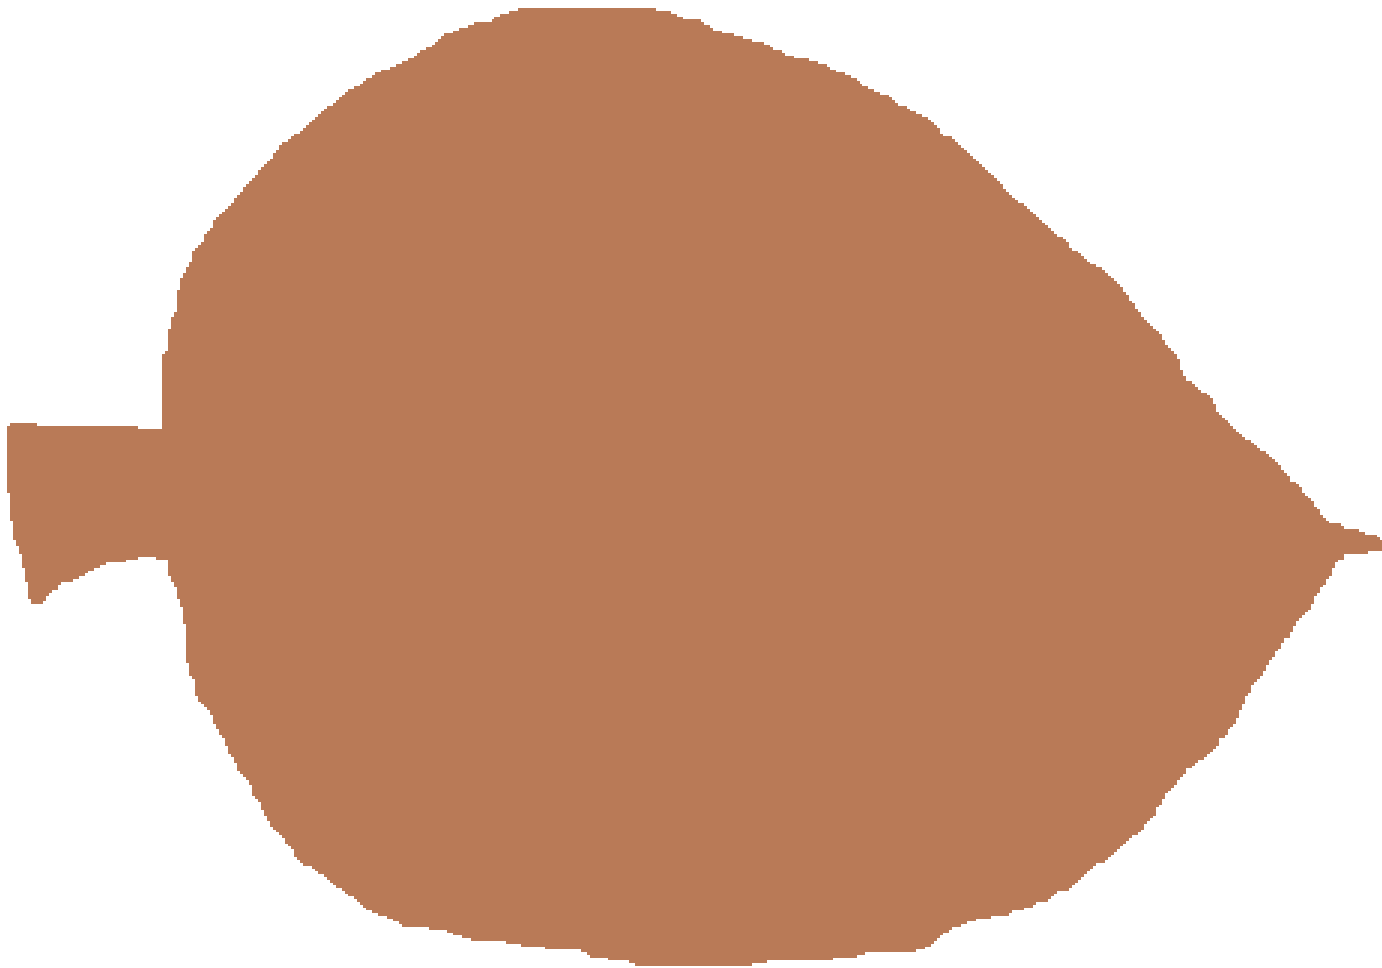

This leaf is red.

This leaf is yellow.

This leaf is green.

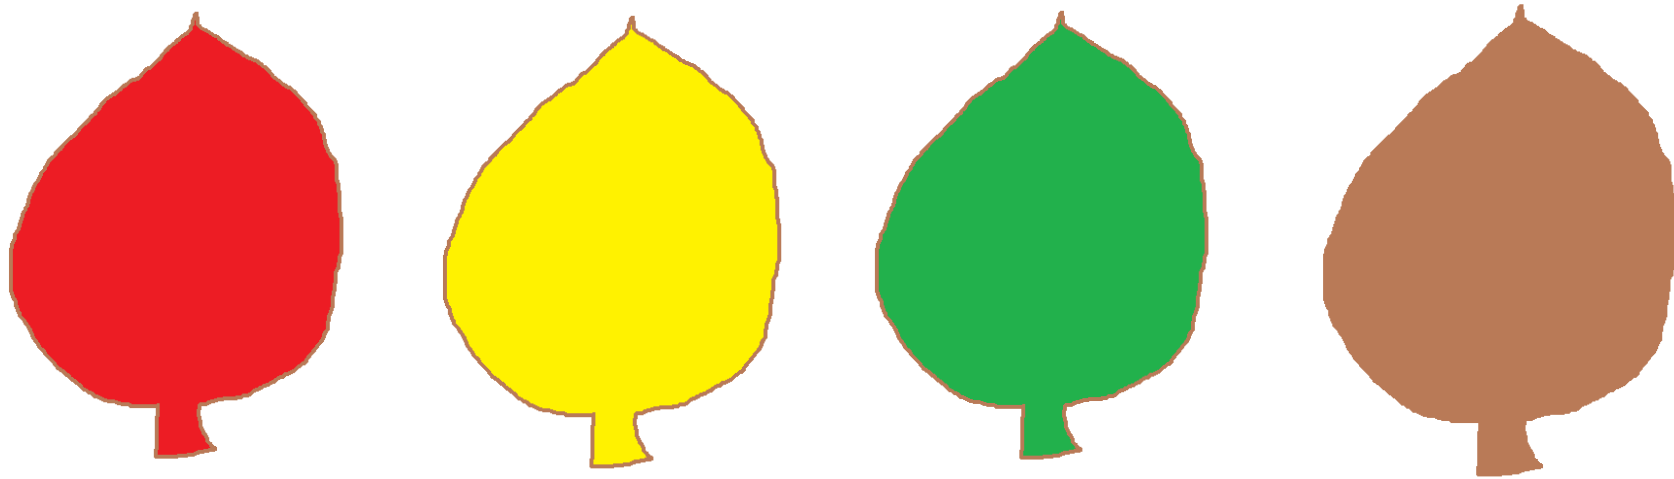

This leaf is brown.

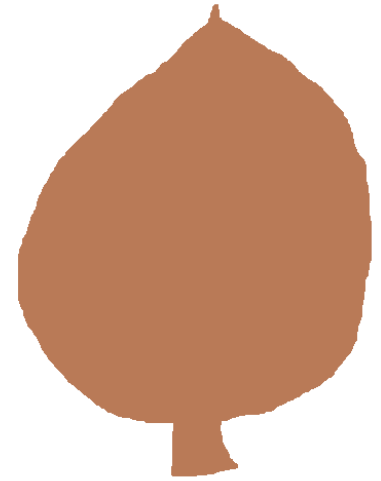

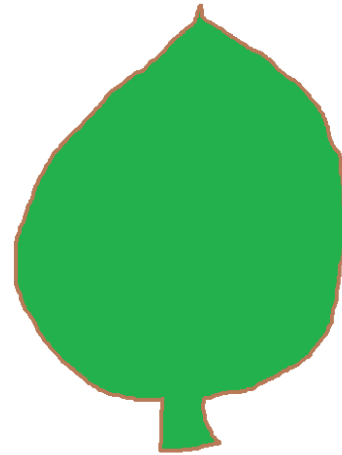

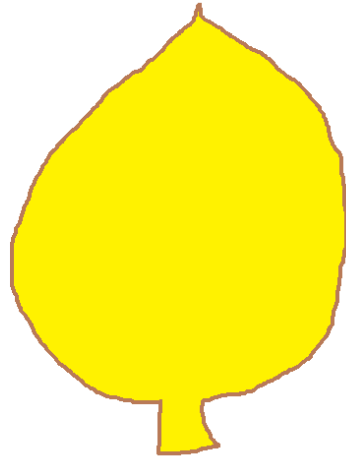

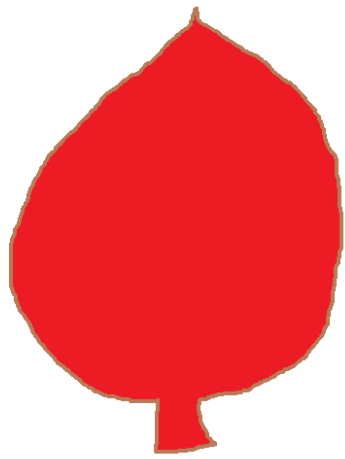

In the fall, the leaves fall from  
the trees onto the ground.

Can you count the leaves on this  
page?

Can you name the colors of the  
leaves on this page?

Playing in the leaves is fun!
