

ABC Block Game

Ages 2 years to 3 years

Objective: The child is introduced to the alphabet while using fine-motor skills to roll a block, find, and match letters.

Materials needed:

White paper plates (6)

Black Sharpie Marker (you will use only)

Block pattern (printable)

Procedures:

1. Before hand: Print block pattern, and fold together to make a "cube." Write one of these letters on each side of the cube, A B C D E F. (capitol only)
2. On each white paper plate, using the sharpie, write the letters A B C D E F. (capitol only)
3. Model by doing first in front of your child, roll the cube block. See what letter the cube lands on heads up. Say that letter out loud to your child. Ask them to repeat and say letter.
4. Then place the cube on the matching letter plate.

ABC Block Game

Ages 2 years to 3 years

4. Hand the cube to your child, let them roll it.
5. This game teaches them concepts of print and early math matching skills. Not to mention following a set of directions!!!
6. Continue this: Roll cube, say letter name, put on matching plate....continue....

Milestones to meet:

The child is introduced to letters. The child can roll a cube. The child can match same letters. The child tries to say letters.

Evaluation:

Did this lesson work for your child? Why or why not?
