

ABC Song

Ages 2 years—3 years

Objective: The child is introduced to letters through song and action.

Materials needed:

ABC Song sheet (printable)

ABC Flash Cards (optional to have and use)

Procedures:

1. This letter song is great for physical development, as the words are action words that begin with that letter of the alphabet.
2. Sing this song to your child. See if they repeat lyrics or try to imitate actions along with you. Encourage them to do it with you.
3. You can choose to go through the whole alphabet song and do the actions, or just a few letters at a time.
4. As you sing, you can even hold up that letter of the alphabet flash card so they can visually see the letter represented, too.
