

# ABC Soup

Ages 1 year to 2 years

**Objective:** The child is introduced to the letters in their name after exploring them in water.

## Materials needed:

Large bowl, spoon, and plate

Water

Magnetic Alphabet Letters-you can get these at Wal-Mart or Dollar Store in the Learning Section

## Procedures:

1. In the bowl, put about 1 cup of water. Add in the alphabet letters in your child's name.
2. Show them by modeling first, use the spoon and scoop one letter at a time onto the plate.
3. Say the letter as you scoop it out. Ask them to repeat letter after you.
4. Hand them the spoon. Have them practice scooping out letters from the water onto the plate.
5. Continue until all letters in your child's name are on the plate. You can add more in the water as desired, if your child still seems interested.

# ABC Soup

## Ages 1 year to 2 years

### Milestones to meet:

The child is introduced to letters in their name. The child tries to repeat some of the letters & sounds and listens to their name spelled out. The child can use their sense of touch to explore and fine-motor skills to scoop objects out and transfer.

### Evaluation:

Did this lesson work for your child? Why or why not?
