

ABC Story time

Ages 3 years to 4 years

Objective: The child develops recognition of the alphabet while reading a story.

Materials needed:

ABC eStory (eBook &/or Printable)

Procedures:

1. In a quite, comfy area sit with your child. You can choose to pull the eBook up on your computer or Kindle and read with child directly from the screen and/or Print it out.
2. Flip through the story book with your child. Look at the pictures only. Have them tell you what they are while pointing to each.
3. Now read it together! Have them say, or repeat after you read, each letter on each page.
4. Point to each letter as you say it, have them point while reading too. This type of reading style helps your child to understand what you are saying has a meaning behind it, and also helps their understanding of concepts of print.

ABC Story time

Ages 3 years to 4 years

Milestones to meet:

The child begins to recognize letters. The child can listen to a story about the alphabet and says the letters when reading. The child tells and recognizes the pictures in a story. The child knows some of their alphabet letters and can recognize them.

Evaluation:

Did this lesson work for your child? Why or why not?
