

Alphabet Tree

Ages 2 years to 3 years

Objective: The child is introduced to the alphabet after to reading a story and gluing letters to a tree.

Materials needed:

"Chicka Chicka Boom Boom" storybook by: Bill Martin
(this book is typically at every public library you can check out)

Tree Cutout (printable)

ABC Chart (printable)

Glue or glue stick

Scissors (you will use only)

Procedures:

1. Sitting in a quiet area, read the storybook to your child.
2. Have child sit at a table. You will already have to pre-cut out all of the letters in the chart.
3. Give child the tree. Help with glue as necessary.
4. Model and show child what you want them to do. Put a dot of a glue on the tree, and put one letter on it at a time. Say that letter with your child as you glue it to the tree.

Alphabet Tree

Ages 2 years to 3 years

6. Do this same thing, until all letters from the chart have been individually glued on the tree, and said and taught to your child.
7. Hang it on the refrigerator.

Milestones to meet:

The child is introduced to letters. The child can create using fine-motor skills to squeeze glue. The child can listen to an alphabet story. The child can repeat saying letters.

Evaluation:

Did this lesson work for your child? Why or why not?
