

Songs Online

Ages 3 years—4 years

Objective: The child sings along to songs and builds literacy awareness through auditory learning.

Materials needed:

[Online Songs](#)

Procedures:

1. Go to the website link above with your child.
2. Start with the "Just For Fun videos" song link.
3. Then, browse around the website and choose which ones you want to sing with your child.
4. They also have song APPS, that are great to use as teaching tools.
5. Go to videos, let your child watch them and participate along with the motions.

Songs Online

Ages 3 years—4 years

Milestones to meet:

Child can mimic and follow along through movement, sounds, or expression when listening to songs and dance/movement videos. The child builds literacy development through song and rhymes.

Evaluation:

Did this lesson work for your child? Why or why not?
