

Online Story Time

1 year—2 years

Objective: The child builds early reading skills through storytelling about how we can help others.

Materials needed:

Online eStorybook

<http://www.starfall.com/n/fiction-nonfiction/not-too-little/load.htm?f>

Procedures:

1. Visit the above website and read to teach your child straight from the computer while they sit on your lap.
2. Begin reading the eBook about helping others. You will have to read it out loud, and click on the pictures with the mouse to watch the pictures move as you read.
3. Go through the whole eStorybook with your child. Re-visit this story more than once this week to really begin teaching concepts, and help them develop awareness & understanding.

Online Story Time

1 year—2 years

Milestones to meet:

The child can listen and look at a story being read to them. The child builds early reading skills through hearing a story and seeing pictures about what they are hearing to make the connection.

Evaluation:

Did this lesson work for your child? Why or why not?
