

People and Places Matching

4 years to 5 years

Objective: The child can look at pictures that belong together, match them, and say what they are.

Materials needed:

People and Places Matching Cards (print from resources page)

Tape and Scissors (you will use only)

Procedures:

1. Before beginning lesson, cut out all of the people and places cards individually.
2. Sitting with your child, show them a picture of a person in our community. Ask them to say the name of that person (i.e. "Who is this a picture of?")
3. Put a piece of rolled up tape on the back of that picture, and tape it up to the wall so your child can see it.
4. Now hold up the matching place picture which associates to your child the person just shown.

People and Places

Matching

4 years to 5 years

5. Ask child the name of the place and the name of the person that works there. (i.e. "What is this a picture of? What kinds of people work there?")

6. Continue teaching: Repeat process by putting a piece of rolled up tape on the back of the place picture, and tape it up to the wall next to the person it matches with.

7. Continue until cards have been gone through.

8. Once complete, go back through them to re-visit; ask your child to say the name of the person and place they work.

9. Ask child for further understanding: "Why do they need that place to do their job?"

Milestones to meet:

The child can match pictures of things that go together. They can use their words to say the names of people & places they recognize in their community.

Evaluation:

Did this lesson work for your child? Why or why not?
