# BIBLE BUBBLES

## WEEKLY LESSON 1

"The Lord is powerful and good"

REVELATION 12: Now we have come to the salvation and the power and the kingdom of our God, the authority of his Christ. The Devil is filled with fury, because he knows that his time is short.

Ask your child what "power" means to them. Talk about things that are good in this world. Ways we can act good, think good, or do good? Have your child draw a picture of themselves doing something good. Talk about the picture with them asking why they drew what they did.

## WEEKLY LESSON 3

"Life has instructions: Work hard"

1 THESSALONIANS 5: Now we ask you, brothers, to respect those who work hard among you, who are over you in the Lord, and who admonish you. Hold them in the highest regard in love because of their work. Live in peace with each other, help the weak, and be patient with everyone.

Practice activities this week that allow your child to follow instructions, and work hard while doing them. Such as: tying their shoes, cooking an easy meal, turning on the TV, or making their bed.

## WEEKLY LESSON 5

"Be who you are & love God"

JOHN 14: I am the way. I am the life. No one comes to the Father except through me." -God

Talk with your child this week about who or what they want to be when they grow up. Help them think of all of life's possibilities: doctors, teachers, firefighters, radio hosts, sports players, weather casters, and construction workers are all ideas of professions. After you discuss and learn what your child's hopes and dreams are, have them draw a picture of themselves of who/what they want to be. Keep this forever!

Talk to your child: "What makes them special? What do they love about themselves? What are they good at?"

## WEEKLY LESSON 2

"The word of God is in us"

2 CORINTHIANS 2: Therefore, since through God's mercy we have this ministry, we do not lose heart.

So using the Word of God, literally, teach those letters this week. G-O-D. Ask your child to practice writing those letters, thinking of words that begin with each of those letters, and making the sounds those letters make. Make sure you teach that the "G" in the word "God" has to be capitalized because "it's a special letter"- it is the beginning of someone's name - like all names.

## WEEKLY LESSON 4

"God hears our prayers"

JOHN 11: Then Jesus said, "Did I not tell you that if you believed, you would see the glory of God?"

Every night this week say a prayer with and to your child. You can make up your own, have your child "tell or say" one, or say one that is common. Each night they can be the same prayer or different ones. The message for your child: praying is good, and God is always listening to us. Here is a short little bedtime prayer I say to my two babies:

God is good  
He is strong  
He loves us all night long.  
During the day he holds us tight,  
Now close your eyes, sweet dreams  
Night, Night!
