BIBLE BUBBLES

WEEKLY LESSON 1

"Jesus is the source of our total well-being"

John 15: No branch can bear fruit unless you remain in me.

Have your child make a list of things they need in their life to survive. Have them give one example of how the Lord provides each of those things for them.

WEEKLY LESSON 2

"Genuine love is unselfish and caring"

Corinthians 13: And now these three remain: faith, hope, and love. But the greatest is love.

Talk about what love means in your family. How do you show each other love? Make a chart of ways to show others love, and each day for 1 week, have your child complete one task on the chart and check it off.

WEEKLY LESSON 3

"The wisdom of God is not the "wisdom" of this world. Always seek God's wisdom."

Corinthians 1: The foolishness of God is wiser than man's wisdom.

Ask your child, what do you think you are smart at? Talk about their talents and things they are smart/good at. Discuss what it means to be "wise" and that when you feel in need, to ask God for the answer.

WEEKLY LESSON 4

"Do what God says in our lives, and then we will be raised up to glory with God."

Corinthians 15: Always give yourself fully to the work of the Lord.

Talk about choices with your child. Good choices we need to make, and bad choices we need to learn from. God loves good choices. Think of 3 good choices your child usually makes and praise them for those.

WEEKLY LESSON 5

"You never know when you will have the chance to share the word about God."

Acts 8: Philip traveled the world preaching the gospel in all of the towns.

"God is good. God is great. He is someone we should appreciate." Teach your child this phrase and remind them to tell others, family and friends, to "share the word."
