

With dedication to my dad; he didn't have to be! I love you.

# BIBLE BUBBLES

## WEEKLY LESSON 1

"God assures all those who believe"

ISAIAH 12: Although you were angry with me, your anger has turned away and you have comforted me, Lord.

On a chart or poster board, ask your child what they "believe in." Write down their answers. It is okay if they say things like "superheroes or princesses." Remind them the greatest of those is the Lord. Say to them: "Believing is with our heart. Even though we can't see it, we always know it's still there." Define "believe" to your child: "To think something."

## WEEKLY LESSON 2

"Do you want all your needs filled? Give 100% commitment to God."

PROVERBS 3: Trust in the Lord with all your heart, and lean not on your own understanding. He will make your path straight.

List these needs on a chart or poster.

Food/Water, Shelter, Love (God)

Then, with your child define what those are in your home, and how those needs are met.

## WEEKLY LESSON 3

"FAITH: We must believe."

LUKE 7: The faith Jesus brings to those who believe.

Define Faith to your child in easy terms: "Being able to know something even if we cannot see it." Give examples: Having faith knows:

- 1) Jesus, mommy and daddy are in your heart.
- 2) Even though you are sad sometimes, you will be happy again soon.
- 3) If you have Jesus in your heart, life is good.
- 4) When we feel like giving up on something, we keep trying.

## WEEKLY LESSON 4

"Trust in God. He keeps up safe in the calm eye of the storm."

PSALM 91: "Because he loves me," says the Lord, "I will rescue him; I will protect him, for he acknowledges my name."

Play a TRUST GAME with your child. Let them stand on a taller surface than you (I do this with my son; he stands on the edge of the couch). Stand in a "catch-like" position in front of them. Tell them on the count of three to jump to you. Remind them to trust that you will catch them; just like we trust in all of God's ways. . Ready, set, go!

## WEEKLY LESSON 5

"Be a good tree in the world."

LUKE 6: No good tree bears bad fruit, nor does a bad tree bear good fruit. Each tree is recognized by its own.

Ask: What is "being good mean?" to your child. Let them answer on their own. Believe it or not, their answers may shock you how smart they are! List or write down their answers, and re-visit their answers every day this week. When they are making one of those good choices, refer back to the list and praise them for it!
