

# Snowflake Art

## Ages 2 to 3 years

**Objective:** The child will build creativity skills through art and painting.

### **Materials needed:**

Snowflake cutout (printable)

Paint tools: Brushes, hair combs, Q-tips, old toothbrushes, and fingers!

[MILK PAINT RECIPE](#)

### **Procedures:**

1. Have your child sit at a small table.
2. Before hand, make the [milk paint recipe](#).
3. Have your child use painting tools (as stated above) as they paint on the snowflake.
4. Let it dry completely and then hang it up in your window!
5. Allow your child to paint multiple of these for more window décor this winter!

# **Snowflake Art**

## **Ages 2 to 3 years**

### **Milestones to meet:**

The child builds creativity skills through painting a snowflake. The child uses fine-motor skills through painting.

### **Evaluation:**

Did this lesson work for your child? Why or why not?
