

Spanish Days of the Week Ages 2 years to 3 years

Objective: The child begins to develop a language in another form, by learning the days of the week in both English and Spanish.

Materials needed:

Spanish days of the week cards (printable)

[Online Spanish Calendar Audio](#)

Procedures:

1. Cut out Spanish days of the week cards individually. Stack together.
2. Go through each of them, like flash cards, with your child, saying the name of the day of the week on the card in both English and Spanish.
3. Going through the words, show them the online calendar (link above) to make the association of what they stand for. Point to the days of the week on it and say them with child in both English and Spanish.
