

# Matching Animals 2 years—3 years

**Objective:** The child will begin to learn about animals and their matching homes.

## Materials

Matching Animal Homes: Toddler (printable)

Crayon or Marker

## Procedures

1. Have your child sit at a small table.
2. Help your child understand the way each of the animals and their homes look on the printable sheet. What are the animals? Where are the homes? Discuss these things first with child.
3. Next, model to show child what it is you want them to do. Match the animals to their homes by tracing the line from one to the next. Use your finger to demonstrate to child how to trace the line to matching animals and homes first, then use marker or crayon.
4. Help child trace and complete both sheets.

# Matching Animals

## 2 years—3 years

### **Milestones to meet:**

The child shows understanding of matching animals to their homes, and tracing a line from one picture to the other.

### **Evaluation:**

Did this lesson work for your child? Why or why not?
