

My Thankful Storybook

Ages 2 to 3 years

Objective: The child builds visual and language development through storytelling.

Materials needed:

My Thankful Storybook (printable)

Procedures

1. Sit with your child in your lap.
2. Begin by reading the eStorybook to your child. Read slowly, word for word, to really have your child be able to hear the sounds and words you are saying.
3. Point to the pictures, say the names of them you see, and describe them to your child. Ask child to repeat the pictures names they see after you.
4. Ask questions throughout reading: "What do you see? What is that? What are they doing?"
5. Complete reading the eStorybook to your child; re-read and visit throughout this month for consistent teaching and learning.

Ages 2 to 3 years

Milestones to meet:

The child listens and follows along during a story being read to them. The child builds early language development and picture-word association skills. The child can say the words, or repeat an adult, of pictures they see in a story.

Evaluation:

Did this lesson work for your child? Why or why not?
