

# New Years

<b>Firework Bottles</b>	Inside empty water or soda bottles, mix in 1 part baking soda to 1 part Sprite. Shake it up and open the top—watch as the fireworks will explode out the top! Add some food coloring to make it colorful!
<b>Party Napkins</b>	Let your child paint on some plain white napkins. Allow to dry completely. Use for decorating the table for a New Years feast!
<b>Ribbons and Dance</b>	Get some ribbon about 3 feet in length (about 5 pieces is enough) and tie them to the end of a long stick or pole (about 2 feet long). Turn on some New Years music or something fun to dance too and have your child use the ribbon for dance and movement!
<b>Balloons</b>	Blow up some balloons and let your child have fun exploring them freely in the living room. Not recommended for under 2 years of age.
<b>Party Hats</b>	Take 1 sheet of construction paper and fold it around making a cylinder-type shape with it. Glue or staple it together. Let your child color, put stickers on it, or use stamps to decorate it. Let them wear it on New Year's Day!
<b>Resolution Lists</b>	This is for you PARENTS! Write down 5 things that you plan on doing this new year. Keep in a place you will refer back to often, such as the fridge door. Follow through!
<b>Out with the Old In with the New</b>	New Year's cleaning! Have your tot or preschooler help clean out their old toys or clothes that no longer fit. Then hang up the new clothes and put away the new toys they got for Christmas!
