

# Thankfulness

## Turkeys

Using a paper plate, feathers, glue, a red deflated balloon for the gobbler, a “Cheese-Nip Cracker” for the nose, & dried-beans for the eyes. Help your child make a “paper-plate turkey” with the materials!

## Thankful Chains

Cut strips of paper about 6 inches in length. Each person in the family tells 1 thing they are thankful for, write it on the paper strip, fold and glue, making a “family thankful paper chain.” Hang it up for remembrance!

## Special Notes

Paint your child’s hand onto white paper, making a hand print. Once it is dry, ask your child 5 things they are thankful for or love. Write their answers on each of their finger on the painted hand-print. Save for keepsakes!

## Sensory Stuffing

Using 1 box of Stuffing Mix & Corn meal, put it together in a large bucket. Add in some spoons, bowls, and cups and let your child sensory discover and build fine-motor skills.

## Cranberry Sauce

Open up a can of cranberry sauce . On a sheet of wax paper, have child finger paint with it.

## Feathers

Using feathers, let your child make a colorful collage, gluing them to a white poster board!

## Setting the Table

Encourage your child to practice setting the table the proper way, using plastic and paper materials.

## Pillow Sack Race

Using a pillow case, have the whole family join in on the fall fun! Have a “pillow sack” race in the backyard on a cool Saturday!
